

# HSM Powerline FA500.3 Industrial Shredder

Designed for destroying large amounts of media and for continuous operation

- Material infeed via a conveyor belt for optimum loading and maximum throughputs
- Practical loading table for simple loading
- Multifunction control panel for intuitive operation
- Auto stop with LED indicates when shred bin is full
- User safety through emergency off rail
- Automatic oiler provides for consistently high cutting capacity
- Convenient trolley for shred-bin bag
- Very sturdy gear motor with chain drive for maximum throughputs
- Transportable on wheels
- Anti-Jam technology designed to easily and quickly reverse out paper in the event the machine is overloaded
- Uses a 168 gallon capacity shred bag; Part #HSM2728
